Mr. Hare reported that the Corporation had held its Annual Membership Meeting on March 9, noting that attendance at the meeting had been low and that increasing membership was consequently a key goal for the Corporation during the current year. Mr. Hare further reported that he had attended the Legislative Data Workshop event at the Cato Institute, and that he was in contact with Jim Harper and hoped to continue a partnership with the Institute. He further reported that he was in discussions with Conversation Starters and the Social Media Club regarding potential joint events.

4. Mr. Lokshin submitted a written report, which was entered into the Minutes:

   As of March 15, Wikimedia DC has 39 members in good standing; these include 23 renewing members from last year and 16 new members. There remain 34 previous members who have not renewed their memberships this year; to date, we are maintaining a 40% membership renewal rate.

   I am currently preparing a Member Recruitment and Retention Plan,
which will address membership expansion and maintenance efforts through the end of Fiscal Year 2013-14. I intend to submit this plan for the Board's approval by the time of our next meeting.

I have begun preparing a new application for 501(c)(3) certification, which is to be submitted to the IRS, as well as an application for a District of Columbia Charitable Solicitation License for our new operating location at 1629 K Street; drafts of both documents will be circulated to the Board once they are complete.

5. Mr. Meyer submitted a written report, which was entered into the Minutes:

As of close of business on March 15, 2013, Wikimedia District of Columbia had $19,128.66 in net assets. Assets were principally in these accounts:

-- WMF Wiki Loves Monuments 2012 Grant: $1,594.18
The chapter also has $1923.94 of fixed assets (equipment) and $236.16 of prepaid expenses (mostly at Linode for our web site).

Revenues. The chapter accrued $5140 of revenue from Feb 7 to Mar 15, 2013 ($10276 since 10/1/12) from these sources:

-- Grants and sponsorships: $0.00 (Total since 10/1/12: $2,750.00)
The level of donations was unusually high this month. Some of this was associated with membership renewals.

Expenses. From Feb 7 to Mar 15, 2013, Wikimedia-DC incurred $4061.29 of expenses ($6,690.91 since 10/1/12) from the following sources:
-- $165.00 in rent (Total since 10/1/12: $330.00)
-- $17.98 in administrative expenses and transaction fees (Total since 10/1/12: $348.54)
-- $3858.36 for taxes (to IRS and DC city; we hope never to have to pay again, once Wiki-DC has tax-exempt certification)
-- $19.95 in technical expenses (Total since 10/1/12: $180.99)
-- $0.00 in events (Total since 10/1/12: $1,545.32)
