The meeting was called to order by Mr. Hare at 2:22 PM.

1. A motion by Mr. Hare to approve the Minutes of the January 11 meeting of the Board of Directors in the form previously distributed was seconded and passed without dissent.

2. Mr. Hare reported that he was in discussions with the Sunlight Foundation regarding a potential event in March, and that he and Ms. Anderson had volunteered at an event held by the World Bank. He further reported that the Art & Feminism Edit-a-thon had been successful; that he had prepared a project plan for the Wikipedia Summer of Monuments campaign; and that he had reached an agreement with the National Archives and Records Administration regarding a lease of Wikimedia DC equipment to that organization.

* Ms. Anderson joined the meeting at 2:25 PM *

3. Ms. Anderson submitted a written report, which was entered into the Minutes:

The ArtAndFeminism 2014 meetup was a great success. It was held at the Betty Boyd Dettre Library and Research Center of the Museum of Women in the Arts. We had a terrific mix of Wikipedians, art historians, feminists and art lovers. The outcomes were quite gratifying, and we look forward to ongoing collaboration with the Library.

A large group of us went out for an evening of conviviality afterwards. At the end of the evening, our waitress was baffled as to who we were, and said, "The Museum of the American Indian? C-SPAN?" We said "Wikipedia!" and gave her one of our T-shirts. She promised to try editing. This is a fun way to recruit people!
James and I had a meeting at the World Bank about assisting on their kickoff event for an internal wiki.

James also met with me and shared his ideas for transitioning the chapter so that others can take over some of his tasks and activities.

The WMF January 2014 Metrics & Activities Meeting has 2 items of interest for the Chapter.

1. Alex Wang is our new Program Officer for Project & Event Grants https://wikimediafoundation.org/wiki/User:AWang %28WMF%29

2. We have a new brochure, "Editing Wikipedia." It would make sense to have a stock of these on hand for our events. http://education.wikimedia.org/welcometowikipedia

4. Mr. Lokshin submitted a written report, which was entered into the Minutes:

As of February 8, Wikimedia DC has 75 members; this represents a net increase of 4 members since our last meeting. This increase is in addition to the renewal of expiring memberships; of the 4 memberships due to expire in January, all 4 were renewed, representing a 100% renewal rate.

Of the current memberships, 14 memberships will lapse on the last day of February; this number includes 2 members who have signed up for automatic renewal and are therefore expected to renew before that date, and 12 members who have been individually solicited to renew their membership.

5. Mr. Meyer submitted a written report, which was entered into the Minutes:

Our chapter's financial situation has returned to good health. We received an extraordinary donation from Kirill Lokshin. We anticipate the arrival, soon, of a check to cover our Projects 2014 grant which has been unambiguously approved.

We have no large recent expenditures.

WikiDC will be financially involved in arranging and supporting WikiConference USA to be held in New York City at the end of May. My contact at WikiNYC is Dorothy Howard, who is working with the WikiNYC treasurer, Peter Hess.

I was pleased to work with the Board to make textual amendments to our recent annual financial report mainly so that it uses terms that fit nonprofits. That change in language is all done, and we can be replicate it in future reports.
I am supporting James in sending the WMF a report on our 2013 grant.

As treasurer I optimistically anticipate a reactivation of the Fundraising committee with an attentive chairperson.

As of the close of business on Feb 6, 2014, Wikimedia DC has $7549.88 in liquid net assets plus $1539.11 in equipment and a small amount in prepaid expenses.

6. The proposed project plan for the Wikipedia Summer of Monuments campaign was discussed and amended. A motion by Mr. Hare to adopt the plan as amended was seconded and passed without dissent, and the plan was entered into the Minutes.
